Deacon Harold Burke-Sivers — known around the world as the “Dynamic Deacon” — is one of the most sought-after speakers in the Church today. He is a powerful and passionate evangelist and preacher, whose no-nonsense approach to living and proclaiming the Catholic faith will challenge and inspire those who hear him.

He travels across the United States and around the world speaking at conferences, workshops, retreats, parish missions, high schools, and young adult events — to everyone who desires to know the Lord Jesus intimately and enjoy a deeper personal relationship with Him. His areas of expertise include marriage and family life, discerning the Will of God, the Sacraments, male spirituality, evangelization, prayer, and many others.

Deacon Harold holds a Bachelor of Arts Degree in Economics and Business Administration from the University of Notre Dame, and a Master of Theological Studies Degree from the University of Dallas. He co-hosts the national weekly broadcast *Living Stones* on Mater Dei Radio. Deacon Harold has appeared in the major feature film *Power in My Hands* and is the creator of *Walk by Faith Wednesday Webinars*, a weekly hour of Catholic catechesis and teaching.

In addition, he is the host or co-host of several popular series on EWIN television and is featured on the award winning *Chosen* faith formation program by Ascension Press. Deacon Harold is the author of five books, including **Behold the Man: A Catholic Vision of Male Spirituality**, **Father Augustus Tolton: The Slave Who Became the First African-American Priest**, and the acclaimed new book **Our Life of Service: The Handbook for Catholic Deacons**.

Retaining a deep love of Benedictine spirituality which he gained during his time discerning a call to that religious community, Deacon Harold is a Benedictine Oblate of Mount Angel Abbey. He is also a member of the Fellowship of Catholic Scholars and the Confraternity of Catholic Clergy.

*CatholicVote* is committed to holding self-professed Catholic leaders and institutions to the standards of Church teaching. That's what the Catholic Accountability Project is all about. You deserve to know exactly where our Catholic leaders stand — both the heroes who are standing up for the truth, and the “zeroes” who cause grave scandal by their words and actions. Pray for all Catholics in the public square, heroes and zeroes alike.

## HEROES

### Jim Harbaugh

Michigan Wolverines Head Coach Jim Harbaugh drew fire this past Summer when he was “outed” as Pro-Life on social media. Progressive news sources publicized a speech he gave celebrating the *Dobbs* decision that overturned *Roe vs. Wade* — and turned him into a target for vile attacks. But the devout Catholic father and football star leaned into the pressure, making no secret of his pro-life convictions even as he became a target of the “Summer of Rage.” Far from backing down ... he doubled down.

He knows that being pro-life isn't just about private opinions. It has to be public and it has to be bold.

### Wendell Perez

In January 2022, Catholic father Wendell Perez sued employees of his local school district after his 12-year-old daughter attempted to hang herself in a school bathroom. The child had suffered from

gender dysphoria and school staff manipulated her into adopting male behaviors while at school and hiding her struggles from her parents. The suit contends that the school recklessly endangered the child's health and violated Perez's fundamental rights as her parent. One school counselor, according to the lawsuit, cited Perez's Catholic faith as the reason they were trying to “protect her confidentiality.” The case gained national attention in August as thousands of Floridians ousted progressive school board leaders in multiple counties, including Perez's own county.

## ZEROES

### Villanova University

Villanova bills itself as a university in the “Augustinian Catholic intellectual tradition.” But Saint Augustine would have a thing or two to say about the school's new “Gender Inclusive Practices Guide.” Its intellectual incoherence and craven worship at the altar of LGBTQ propaganda would elicit only disgust from the saint. Developed by the Office of Diversity, Equity, and Inclusion in collaboration with the Gender and Women's Studies program, the guidelines coach students, faculty, and staff to practice LGBTQ pronoun usage, apologize immediately if they “misgender” someone, and display “ardent receptivity” to “a variety of human experiences.”

Students, don't entrust yourselves to an institution that spends thousands of taxpayer dollars on this drivel. Look elsewhere for your education.
